SEPTEMBER 26-29, 2013

EARLY ORTHODONTIC TREATMENT WEEKEND
12 Hours of Continuing Education

SOUTHWESTERN SOCIETY OF PEDIATRIC DENTISTRY
SUMMER MEETING

HILTON NEW ORLEANS RIVERSIDE
NEW ORLEANS, LOUISIANA

SPONSORED BY:
SWSPD & RMO
Preventive Orthodontics, the common place parts of your everyday practice, is the focus of this program. The overall health of your patients is the goal of your pediatric practice. Preventive Orthodontics is a necessary part of that goal. What parts of the developing malocclusion can and should be corrected in order to prevent abnormal growth and alleviate abnormal positions of the teeth?

Here is your chance to come face to face with a practicing Orthodontist and Pediatric Specialists who incorporate Orthodontics into their daily practices. Join the discussions with your questions and comments. Spend the cocktail party, breakfasts, lunch and breaks with the speakers. SWSPD, in conjunction with Rocky Mountain Orthodontics (RMO) brings you this program as part of our continuing education commitment.

**Registration includes** the Thursday evening Welcome Reception, breakfast and lunch on Friday as well as breakfast on Saturday and Sunday, and 12 hours of Continuing Education throughout the weekend.

---

**SUNDAY, SEPTEMBER 29**

**“Class III- Differential Diagnosis & Treatment Planning”** 2 CEUs

Francis L. Miranda, DDS, MS, PhD

1. Types of Class III Malocclusions
2. Diagnosis & Treatment Planning in Class III Malocclusions
3. Treatment Methods for the different types of Class III Malocclusions

**Dr. Miranda** holds both DDS and MS degrees from Baylor University and graduated from University of Missouri Kansas City with a specialty in pediatric dentistry. In 1980, he founded POGO Seminars to help pediatric and general dentists manage developing occlusions in growing children. Dr. Miranda taught both pediatric dentistry and orthodontics at Baylor University until 1990. He has lectured internationally and continues his educational focus with dentists in Early Orthodontic Therapy and limited Complete Orthodontic Therapy. In addition, Dr. Miranda also earned an MS in Biology, has conducted post graduate research in Physiology and holds a PhD in Education.

**“Airway Assessment and Management from the Pediatric Dentist Perspective”** 2 CEUs

Jeffrey D. Rhodes, DDS

Narrow arches, runny noses, grinding teeth, ADD. Do these commonly seen childhood issues have anything in common? This course will describe how to evaluate airways in developing children, when to treat and when to refer. We will also discuss some of the medical complications associated with disrupted breathing patterns and how to interact with your local ENTs.

**Dr. Rhodes** is a 1984 graduate of Austin College in Sherman, Texas. He graduated from Baylor College of Dentistry in 1988, and completed specialty training in Pediatric Dentistry in 1990. His special interests lie in growth and development. He has completed fellowships at Scottish Rite Hospital for Crippled Children, Children’s Medical Center of Dallas and teaching fellowship at Baylor College of Dentistry. He is a member of various dental associations and a Diplomate of American Board of Pediatric Dentistry. Dr. Rhodes is a past president of the SouthWestern Society of Pediatric Dentistry.
NEW ORLEANS IN SEPTEMBER

Let the SWSPD Summer meeting introduce you to all of the Big Easy’s greatest charms!

The original settlement of New Orleans, called Vieux Carré, French Quarter or simply The Quarter, is the oldest neighborhood in the city. Established by the French in 1718, the district as a whole is a National Historic Landmark. Life in the Quarter centers around New Orleans’ most famous landmark, Jackson Square. Walk the beautiful gardens inside the square, make a wish as you toss a coin into the fountain and take that iconic New Orleans photograph. The culture of the Quarter is embraced by the collection of fortune tellers, artists and musicians who surround Jackson Square. And just across the street is the famed Café du Monde, serving up beignets and café au lait 24 hours a day, seven days a week.

Tradition, opulence and beauty can all be used to describe New Orleans’ historic Garden District. With its well-preserved collection of antebellum mansions, pristine gardens and southern charm, the Garden District certainly stands out as one of the country’s most lovely neighborhoods. A common destination for those visiting the Garden District is the intersection of Prytania Street and Washington Avenue. Here, in the heart of the neighborhood, you will find a commercial pocket with shopping, cafes and the historic Lafayette Cemetery #1. As one of the most well-maintained city cemeteries, Lafayette #1 has been immortalized in film, literature and photography and is a popular attraction for many tourists. Guided tours of the cemetery are available.

Whether you take a tour of the Garden District’s beautiful historic mansions or indulge in a decadent night as you explore Bourbon Street or immerse yourself in the city’s Southern charm as you ride a Riverfront Streetcar... New Orleans has something for everyone’s tastes!

Hotel Accommodations

Experience the best the Crescent City has to offer from the beautiful Hilton New Orleans Riverside. Located on the banks of the Mississippi, the full–service hotel is only 13 miles, from Louis Armstrong New Orleans International Airport (MSY) and just three blocks from the famed French Quarter. The Hilton Riverside is also connected to Riverwalk Marketplace, featuring 140 distinctively New Orleans shops and eateries, and across from round-the-clock entertainment opportunities at Harrah’s Casino. One trip is all it takes to fall in love with this great city.

Make your reservations now by calling 800-HILTONS (800-445-8667). Mention the SouthWestern Society of Pediatric Dentistry to reserve your room(s) at the negotiated price of $169/night, single/double ($199/night for triple, $229/night for quad) occupancy plus taxes and fees. All reservations must be guaranteed and accompanied by a first night room deposit or guaranteed with a major credit card. Room cancellations must be made at least 3 days prior to arrival date and confirmed by the hotel cancellation number. The deadline for lodging reservations is August 27, 2013.
