GUIDANCE OF OCCLUSION:
A HANDS-ON SEMINAR OF MANAGING THE MOST COMMON ISSUES OF THE DEVELOPING OCCLUSION IN A PEDIATRIC PRACTICE!

12 Hours of Continuing Education

SEPTEMBER 12-14, 2014

SOUTHWESTERN SOCIETY OF PEDIATRIC DENTISTRY
SUMMER MEETING

HILTON NEW ORLEANS RIVERSIDE
NEW ORLEANS, LOUISIANA

SPONSORED BY:
SWSPD & RMO
Need a brush up on the Ortho or Pedo training received in Dental & Graduate school?
Want to learn how to diagnose and treat your patients’ most common early orthodontic problems?
Need an excuse to slurp down some oysters or take in some jazz while building your practice?
This year’s meeting will focus on your patients’ most common issues and provide hands-on training backed by research and experience to meet their needs. You will be able to implement these methods when you return to the office on Monday. Each day will provide four (4) hours of CE followed by free time in the afternoon and evening.
Topics revolve around ectopic eruption problems that can be identified at early ages and the treatment regimens which prevent them from fully expressing themselves during the transitional dentition and arch development. Problems in the development of the mandibular dentition will be discussed during the second day. The third day will focus on the maxillary dentition. Developmental milestones will be discussed and evidence for the 4-year-old screening will be exposed. The Saturday and Sunday sessions will include a hands-on, lab-free upper and lower appliance, the mandibular lingual arch and the maxillary quad-Helix. Rocky Mountain Orthodontics® (RMO) will supply materials for these two procedures.
Your registration fee includes the Thursday evening Welcome Reception, breakfast and lunch on Friday as well as breakfast on Saturday and Sunday, supplies for both hands-on projects, and 12 hours of Continuing Education throughout the weekend. Friday lunch is sponsored by RMO to encourage attendees to meet and talk to the speakers.

FRIDAY, SEPTEMBER 12  4 CEUs

“Occlusal Evaluation of the Young Pediatric Patient”
Francis Miranda, DDS, MS, PhD

• What do you see & when do you see it?
• What should you do when you see it?

“Oh No! Ectopic Eruption … What Do I Do Now?”
Timothy Fagan, DDS, MS

If you’re treating children, you’re likely to see patients with ectopic eruption as this condition has been reported to occur in up to 40% of the population. Any permanent tooth can erupt ectopically. Do you feel confident in your abilities to correct these conditions or to prevent them in the first place? This presentation will examine the diagnosis and treatment of ectopic eruptions through the use of easy, simplified interceptive techniques that can be used every day in your office to prevent and/or correct ectopic eruptions of all permanent teeth.

Dr. Miranda holds both DDS and MS degrees from Baylor University and graduated from University of Missouri Kansas City with a specialty in pediatric dentistry. He completed his Orthodontic Residency Program in 1976 at Baylor College of Dentistry, Dept. of Orthodontics. In 1980, he founded POGO Seminars to help pediatric and general dentists manage developing occlusions in growing children. Dr. Miranda taught both pediatric dentistry and orthodontics at Baylor College of Dentistry from 1970-1990. He has lectured internationally and continues his educational focus with dentists in Early Orthodontic Therapy and limited Complete Orthodontic Therapy. In addition, Dr. Miranda also earned an MS in Biology, has conducted post graduate research in Physiology & Orthodontics and also holds a PhD in Education.

Dr. Fagan has been in private practice for 29 years specializing in Pediatric Dentistry in Enid, Oklahoma. He received his dental degree from the University of Oklahoma in 1981 and completed his pediatric specialty training in 1984 at the University of Iowa. He is a Clinical Associate Professor in the Department of Pediatric Dentistry at the University of Oklahoma College of Dentistry. He is a Diplomate of the American Board of Pediatric Dentistry, and a Fellow of the American Academy of Pediatric Dentistry, the American College of Dentists, and the Pierre Fauchard Academy. Dr. Fagan is a past President of the Oklahoma Dental Association, the Southwestern Society of Pediatric Dentistry, the American Academy of Pediatric Dentistry, the American College of Dentists, and the Pierre Fauchard Academy. Dr. Fagan is a past President of the Southwestern Society of Pediatric Dentists. For the American Academy of Pediatric Dentistry, he has served as Chairperson of the Council on Continuing Education, Chair of the Practice Administration Committee, and as the District V Trustee on the AAPD Board of Trustees. He is an examiner for the American Board of Pediatric Dentistry's Oral Comprehensive Exam. He has a special interest in high-tech gadgets and their application in making dentistry easier and more comfortable for patients and doctors.

SATURDAY, SEPTEMBER 13  4 CEUs

“Managing the Mandibular Arch”
Francis Miranda, DDS, MS, PhD, Jeffrey Rhodes, DDS, MSD, Marvin Cavallino, DDS, MSD, & RMO Staff

• Diagnosis and Treatment Planning the Mandibular Holding Arch
• Placement & Adjustment, Advancement & Reactions
• Hands-on Lower Holding Arch

Dr. Rhodes is a 1984 graduate of Austin College in Sherman, Texas. He graduated from Baylor College of Dentistry in 1988, and completed specialty training in Pediatric Dentistry in 1990. His special interests lie in growth and development. He has completed fellowships at Scottish Rite Hospital for Crippled Children, Children's Medical Center of Dallas and teaching fellowship at Baylor College of Dentistry. He is a member of the Arkansas Society of Pediatric Dentist, American Academy of Pediatric Dentist, Arkansas State Dental Association, American Dental Association, Southwestern Society of Pediatric Dentist, American Academy of Cosmetic Dentistry, and Diplomate of American Board of Pediatric Dentistry. He is a Past President of the SouthWestern Society of Pediatric Dentists.

Dr. Cavallino is a Board Certified Diplomate of the American Board of Pediatric Dentistry. He earned his DDS degree from Loyola and completed his Pediatric specialty training at the University of Nebraska. Dr. Cavallino was on the Dental Department staff at East Jefferson Hospital and Children's Hospital in New Orleans for many years and recently retired from private practice in Metarie. He has served as a Clinical Associate Professor at LSU School of Dentistry since 1971.

Spice Things Up! Cuisine Time in New Orleans isn’t kept in hours or days, but in meals. Dining in New Orleans is a culinary adventure.

Walkable Downtown - New Orleans offers a compact geographic footprint, providing close proximity of meeting facilities and local attractions.

Rich Musical History - Music is where New Orleans’ first settlers found common ground and no other city loves music more.

Art & Architecture - Countless cultural gems await you in New Orleans, home to more National Historic Landmarks than any other US city.

Sports & Outdoor Recreation - The climate allows for plenty of outdoor adventures and activities in and around the Crescent City.

One trip is all it takes to fall in love with this great city! www.NewOrleansOnline.com

HOTEL ACCOMMODATIONS

Experience the best the Crescent City has to offer at the beautiful Hilton New Orleans Riverside. Located on the banks of the Mississippi, the hotel is only 13 miles from Louis Armstrong New Orleans International Airport (MSY) and just three blocks from the famed French Quarter. The Hilton Riverside is also connected to Riverwalk Marketplace, featuring 140 distinctively New Orleans shops and eateries, and across from round-the-clock entertainment opportunities at Harrah’s Casino.

Make your reservations now by calling 504-561-0500, ext 3310. Mention the SWSPD to reserve your room(s) at the negotiated price of $175/night, single/double occupancy ($205/night for triple, $235/night for quad) plus taxes and fees. All reservations must be guaranteed and accompanied by a first night room deposit or guaranteed with a major credit card. Room cancellations must be made at least 3 days prior to arrival date and confirmed by the hotel cancellation number. The deadline for reservations is August 10, 2014.
